MENSAJE

La educación es el elemento transformador de cualquier sociedad, por tal razón en el momento histórico que nos toca vivir, la educación debe sustentarse en la preparación integral de todos los participantes, de ahí que la capacitación como factor en el proceso escalafonario es determinante para lograr por méritos propios los ascensos que nuestros trabajadores se han propuesto en su desarrollo personal y profesional.

El Proyecto de Catálogo 2012 que se presenta tiene como primordial objetivo lograr su validación, es decir la aprobación y aceptación de las puntuaciones a través del análisis que cada trabajador realiza, como resultado de la aplicación de la normatividad vigente, a través de un proceso claro y transparente.

La puntuación escalafonaria es la suma de la constancia, dedicación, preparación y esfuerzo de los trabajadores, para ello, en este Catálogo no solamente se aplica un programa de cómputo en los cuatro grupos que componen la Comisión Estatal Mixta de Escalafón, lo que permite la obtención de calificaciones exactas, sino que también toda la documentación remitida a la Comisión relacionada con diplomados, cursos y talleres debe contar con registro y validación de la Instancia Estatal de Formación Continua de la Secretaría de Educación Pública del Estado de Querétaro. Es por eso que el Proyecto de Catálogo 2012 es la aplicación irrestricta de la norma y la observancia de los valores de justicia, equidad y respeto de los derechos de los trabajadores por las autoridades e Instituciones Queretanas.

El camino para lograr una educación de excelencia y calidad debe ser transitado con el compromiso de cada uno de los trabajadores de la educación, estoy cierto que estamos avanzando y los convoco para seguir trabajando por una mejor formación tanto de los docentes como los administrativos que intervienen en los procesos educativos.

LIC. JOSÉ JAIME CÉSAR ESCOBEDO RODRÍGUEZ
COORDINADOR GENERAL DE LA UNIDAD DE SERVICIOS
PARA LA EDUCACIÓN BÁSICA EN EL ESTADO DE QUERÉTARO

MENSAJE

El escalafón representa para el personal docente y el de apoyo y asistencia a la educación, adscrito a la USEBEQ y afiliado a la Sección 24 del SNTE, una vía alterna para obtener de manera transparente, objetiva y abierta un ascenso o promoción a mejores puestos de trabajo en razón de sus méritos académicos y laborales, lo que repercute en una mejor remuneración y en el reconocimiento de la comunidad a su participación y desempeño.

En la actualidad, la educación sigue siendo una prioridad social, pues a través de ella se favorece en niños y jóvenes la adquisición de competencias que les permiten ser exitosos a lo largo de su vida, contribuyendo a lograr una sociedad justa con bienestar, una economía productiva y competitiva que impulse el desarrollo individual y del país.

Educar es asegurar que se ofrezcan las mejores oportunidades para hacer frente a los retos que plantea la existencia. Sólo con una educación de calidad se puede superar la pobreza, fortalecer la democracia, crear empleos, generar riqueza, vincular al ciudadano con la era tecnológica y del conocimiento, comprender y desarrollar la cultura estatal y nacional.

El Proyecto de Catálogo Escalafonario 2012, elaborado con apego a la normatividad vigente, contiene los movimientos laborales de los trabajadores pertenecientes a los cuatro grupos de escalafón de enseñanza básica, como resultado de su preparación, desempeño y experiencia, indicadores que fortalecen la escuela pública mexicana y la calidad educativa.

La Secretaría General del Comité Ejecutivo de la Sección 24 del SNTE refrenda su compromiso de respetar los derechos escalafonarios de sus agremiados; de orientar los principios de legalidad y legitimidad de dicho esquema promocional para valorar en su justa dimensión el esfuerzo desplegado por todos nuestros representados.

PROFR. JUAN EMILIO HERNÁNDEZ MOLINA

DE LA SECCIÓN 24 DEL SNTE
